INDO DEFENCE 2024 EXPO & FORUM

The 10th Indonesia Official Tri-Service Defence Event

"Defence Partnerships for Global Peace & Stability"

Show Profile

INDO DEFENCE 2024 EXPO & FORUM is going to mark its 10th edition on 6 - 9 November 2024 at Jakarta International Expo Kemayoran, Jakarta, Indonesia. The expo is hosted by the Ministry of Defence of the Republic of Indonesia. Held Concurrently with the 8th INDO AEROSPACE 2024 EXPO & FORUM and the 7th INDO MARINE 2024 EXPO & FORUM, the expo is the biggest defence, aerospace, maritime and security events in the world.

Indo Defence Expo & Forum is a biennial tri-service defence technology and sales exhibition as well as promotional event for international defence and security equipment manufacturers, which has been held since 2004 at JIExpo Kemayoran, Jakarta, Indonesia.

Indo Defence Expo & Forum is designed to offer you the most cost effective marketing opportunity to gain access to the top military defence officials and decision makers at only one stop location. Showcasing latest military, aviation, and nautical defence and security technologies, Indo Defence is a comprehensive meeting point of key decision makers, defence authorities and companies from across the world.

Elevating the business activities, the expo provides international seminars, symposiums, free technical product presentations, live product demonstration and network with industry experts to explore and transfer information related the recent technology updates among participating countries. Make sure you benefit from this biennial event.

Market Update Be a part of the transformation of the aerospace industry at Indo Aerospace 2024

The Indonesian aviation and aerospace industry has bright prospects supported by the geographical conditions of Indonesia which is the largest archipelagic country in the world and has more than 17 thousand islands stretching more than five thousand kilometers from east to west. This air transportation will become the backbone of national transportation and connectivity, as well as the main driver of the Indonesian economy.

The number of air passengers in Indonesia is expected to grow

30%

Year on year

Indonesia is estimated to be **the sixth largest air transportation market** in the world by 2034

The domestic MRO value in 2022 is projected to reach

USD 1.7 billion

while the global MRO business value will reach

USD 93.5 billion

SPONSORSHIP OPPORTUNITIES

Elevate your defence brand narrative through bespoke sponsorship experiences that truly resonate.

INTERNATIONAL TRI-SERVICE DEFENCE FORUM

The upcoming International Tri-Service Defence Forum is set to be a landmark event in the defence sector. Designed as a collaborative platform, the forum's primary aim is to address the challenges, share experiences, and navigate the evolving dynamics of regional defence.

SHOWCASE PROMOTION & BRANDING PACKAGE

Understanding needs and visions of defence sector brands, this sponsorship package item and activity is designed as a flexible approach with a distinct audience segment in focus, enhanced brand visibility during pre-event, on-site, and post-show. We're more than willing to collaborate, adapting our sponsorship blueprint that matches your brand's dynamic aspirations within the military sector.
